

Dear Potential Advertiser

Thank you for your interest in utilizing our Omnibus for promoting your business. We think you will find that our advertising rates, circulation and the fact that this publication is in use for a full competitive season, make this a cost effective marketing tool. To keep cost down we do ask that any material provided for print be "camera ready". This would entail the original being of sufficient quality to be scanned by our printer for reproduction.

As an advertiser in the Region 1 Omnibus 2032 you will receive a Professional Listing as well, if you chose an ad of ½ of a page or more. Please include a professional listing application with your advertising application. The Omnibus will reach all areas in the Region 1 territory: Washington DC, Delaware, Maryland, North Carolina, New Jersey, Pennsylvania, Panhandle of West Virginia, and Virginia Since 2004 the Omnibus was requested from competitors throughout the US and Canada. The Omnibus is more than a simple listing of shows; it will be provided important information for qualification to BLM Finals, Regional Finals, JR/YR information and copies of the competition tests.

Your ad will remain visible to equestrians through out the 2032 Dressage Season. This is truly a cost effective way to help you market your business and support the United States Dressage Federation, Region 1 at the same time.

To save 10% payment and materials must be received by Pqxgo dgt"37."422; . All submissions and payments must be received by December 31, 200; in order to be guaranteed inclusion in the Omnibus for 2032. We will adhere to these deadlines, please understand and help us by getting material in as soon as possible.

All "camera ready" ads, applications and checks should be sent to:
